

CranMate®

Nutritional Supplement

CranMate® is a chewable nutritional supplement formulated to support a healthy urinary tract in dogs and cats. American cranberry extract (*vaccinium maroccarpon*) formula contains antioxidants, and type-A proanthocyanidins (PACs), which decreased the bacterial adherence to the uroepithelial cells during in vitro studies.¹

Patented

Proprietary extraction process eliminates unwanted oxalic acid and its precursors

Support

Helps support and maintain a pet's healthy urinary tract

Cost-effective

Half the cost of the leading competitor

Easy to administer

Liver-flavored, scored tablets for convenient daily dosing

**One CranMate® tablet contains
100 mg of American cranberry extract
(*Vaccinium maroccarpon*) made up of
10% polyphenol antioxidants.***
